Summer, 2025

As we welcome Summer, we welcome you, our families and friends, back to the Museum!

We're open for the season—and we couldn't be more excited to welcome you back to the Long Beach Island Historical Association & Museum!

Our 2025 season is already off to a strong start, thanks to two fantastic spring events: our ever-popular *Psychic & Wellness Fair* and the eclectic *Trash & Treasures* sale.

This **year is all about honoring our roots**. Throughout the season, we will be celebrating the visionary *founders* of the Long Beach Island Historical Association and the *past presidents* who nurtured their dream into a thriving community institution. These individuals helped transform a big idea into a beloved museum that continues to preserve and share the stories of LBI. As we'll say often over the next two years: **this museum was created by the people of this community, for the people of this community.** Come explore the exhibits that celebrate this enduring
