

LBI Historical Museum Golf Outing Fundraiser

Celebrating 50 Years of Preserving Our Island's Story

An Exclusive Invitation to Become a Sponsor of the LBI Golf Outing

This year marks the **50th Anniversary of the LBI Historical Museum**, a beloved landmark and centerpiece of our island's shared history. We're reaching out to you specifically because of your company's deep roots in the Long Beach Island community and your dedication to quality and preservation. The Museum's mission – to protect, restore, and share LBI's unique heritage – closely aligns with your commitment to preserving the character of our coastal community. Together, we can ensure that our most important structure, the Museum building itself, remains a lasting symbol of local pride.

Why Your Support Matters

Our recent Historic Preservation Assessment and Plan identified \$1.3 million in essential repairs and upgrades needed over the next five years. In addition, we are working to offset lost operational income due to recent grant reductions and to celebrate our 50th year as the heart of LBI's history.

Your Sponsorship will make a meaningful and visible impact – helping us protect our island's history while ensuring the Museum remains safe, strong, and welcoming for generations to come.
